Kawasaki ZZR1200 (2002)

Metallic Blue with chrome vinyl decals

The Kawasaki ZZ-R1200 is an iconic sport touring motorcycle produced by Japanese manufacturer Kawasaki between the years 2002 to 2005. It has a twin-spar aluminum frame housing a liquid-cooled, DOHC, four-stroke 1164cc inline-four engine producing an impressive 160 horsepower propelling it from 0 - 60 in under 3 seconds and onto a top speed of 186 mph.

At its launch it was widely regarded as the most powerful production motorcycle ever built with carbureted induction engine.

Our motorcycle comes equipped with twin fans, fuel pumps, and LED headlights.

In summary, the Kawasaki ZZ-R1200 combines power, touring capabilities, and exhilarating performance, making it a memorable chapter in motorcycle history.
