Buick Skylark Custom (1968)

Green/Cream - with 8 Track Stereo

The 1969 Buick Skylark Custom is a classic American car produced by Buick, a division of General Motors. It formed part of Buick's mid-size line up. The Skylark represented a blend of performance and luxury, appealing to drivers who wanted both power and refinement.

The 1969 Skylark Custom came with various engine choices, including a 350-cubic-inch V8, the power plant fitted to this car producing 230hp.

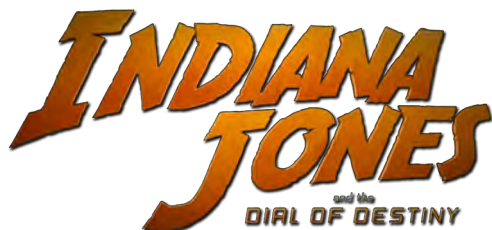

The Skylark Custom featured a sleek hardtop design and came with upgraded wheels, emphasizing its muscle car vibe while the distinct paint colours made it stand out. It still has working air conditioning providing comfort during drives.

This car was used by Lucas Films & Disney in the filming of the movie Indiana Jones and The Dial of Destiny which was partly filmed in July 2021.

As well as TV and Movie Production, this car is ideally suited for Weddings, Party's, Retirements, Corporate Events, Catalogue or Advert Photo-shoots.
